### **FOANS23 Information Packet**

Training Schedule, Breakdown, Rosters, and Championship Groups

We recommend you print this packet out as it will have all the information you need for the event.

We're just a few weeks away from FOANS23 and in our 11<sup>th</sup> year we have learned that information is key, communication is paramount. This year we are sending everyone a full breakdown hour by hour of what the training schedule and competition will entail. Greg will also be holding a Q&A Info session Wednesday Nov. 29<sup>th</sup> at 8:30pm EST for anyone who needs some extra last second explanations. The link is at the very Top of this email. Reminder: There are no refunds for this event but if you don't plan on attending, PLEASE have the courtesy of letting us know so we can adjust the schedules in advance.

For a breakdown of our speaker series zoom sessions leading up to the Showcase, NCAA coaches on staff, gear, and training schedule please [CLICK HERE](#) . Check-in will begin at 7:15am on Saturday. If you come to the showcase eve draw day (info also in above link) you will receive your player pack early so you don't need to check-in on Saturday. Just be sure to arrive and be ready to go by 8am. Our Featured speaker, Matt Madalon (Head Coach of Princeton) will be speaking at 8am sharp to all players and parents. After which we will go directly into an intense 2 hours of training.

At 10:30 when the combine ends, we will begin setting up for the tournament. The group play was a massive hit last year in large part to the players/parents being

prepared ahead of time and following the schedule flawlessly. The below schedule lays everything out by field and time. We ask that players know exactly what field they are supposed to be on and to arrive ready **30min prior to the beginning of their competition time**. This way if a slot ends early, we can get the players right to work. Instead of a formal “Lunch Hour” players can plan their lunch around their competition time. So, for example 2025 Group A knows that they have 30 minutes to eat and be ready for the first shift at 11am on field 3.

There are 8 total fields created for this event. When you enter the fieldhouse and look at the field, the breakdown starts from the field closest to the entrance on your left. That is field 1 and then the fields are numbered clockwise around the fieldhouse (see field layout below). Players need their full uniform, gloves, elbow pads and helmet for the day. There will be a full viewing area in the endzone as well as seatbacks surrounding the outside of the playing surface. Once checked in the players are expected to ZIP UP their bags and place them in the furthest endzone from the entrance. There will be knitted beanies, hoodies, t-shirts & caps for sale as well. No Lacrosse equipment is sold at this event and there **WILL BE STICK CHECKS during the tournament. So be 100% sure to bring at least 2 LEGAL sticks with you**. If your head breaks, we will not have any to give you.

#### **Combine Training fields for each class:**

Field 4 – 2024/25	Field 5 – 2026 Groups A-D
Field 3 – 2024/25	Field 6 – 2026 Groups E-H
Field 2 – 2024/25	Field 7 – 2026 Groups I-L
Field 1 - 2027	Field 8 – 2028/29

As always, we hold ourselves and our players/parents to a high sportsmanship standard. No trash talk, no negative comments from the players or the parents, no arguing with the referees will be tolerated at all. Every rep of every moment of the tournament is going to be filmed and shared with collegiate coaches. (You will have free access to these faceoffs in a drop box folder that will be shared 2 weeks after the event). If a player or parent acts up it will be on film and certainly won't help recruiting in the future. We subscribe to the fact that this FaceOff Position is a fraternity and even though we compete as hard as we can, we respect any player or parent who is a part of our brotherhood. A handshake before and after every competition regardless of the outcome is expected.

Below is a roster breakdown by randomized groups, a full training schedule as well as a field-by-field tournament schedule. Since there might be injuries, late adds from the waitlist, etc. We will wait until the week of the event to send you a separate email with the exact head-to-head schedules of each group's round-robin matchups.
